We were very pleased with her level of service. Thank you very much to Clara and her team! ***** Very much for your monkey! A great way to spend a few hours playing on those too hot/rainy days. ***** Kids had wonderful time at the great personal food birthday party! ***** We've been coming here for once, we love it and the kids love it. Great service and equipment. *****I choose very friendly and friendly staff. Fun facilities for indoor play. ***** good nice personal friendly place and clean parts are awesome here I come here every week cant beat the price The amount of fun my daughter has here she doesn't want to leave the food is amazing there are massage chairs for adults they love blaming this place cant and his staff are so beautiful and kind, if you've never had to go the case is the best ***** the service is amazing Craig, sorbrine, Celina were fantastic! Nelson's turbo climb was awesome, too! Will recommend and return 5 stars to everything *****It is a very good place for children. I'd love to be back soon! ***** took my two nieces to Monkey Mania and it was fabulous. We spent all morning there. I like that they have a dedicated child area for the little ones. We went on a school day, so it wasn't crowded, which was nice. The staff was friendly and attentive, especially with our three-year-old, when she was doing plaster painting. In general, a great place to take the kids and have some great fun. ***** I've been to this particular Monkey Mania several times and I have to say it's definitely the best. I refuse to go to any other playcenter. Craig manger is extremely welcoming and so friendly. The staff is very well trained to do there individual jobs and the food is always hot a fresh. Celina was a fabulous member of staff and was quickly able to handle our great food order easily. I can't recommend this place enough. I remember staying up almost once and the place was so clean after they had a few birthday spending that day. I wish I could give them a million stars and ican't wait to leave again. Thanks to all the Monkey Mania Team at Bankstown my 6-year-old ***** had a great birthday with her friends! The hosts are friendly, the children had a lot of food, adult platters were great. Thank you for doing all the work so I could just sit and relax! ***** My four-year-old niece had a great time. I was there for more than three hours and could easily have stayed longer. It went during the week, so it wasn't crowded and there was plenty of free parking. The total cost for the day was about \$25 (entry fee, some chips and a block of ice) and was a great value. He'll be back. ***** friendly staff, a great place for children to have fun. Highly recommended ***** I love this place. My 3-year-old daughter can spend hours here so we can sit back and enjoy a sip of coffee (free). The staff is paying attention. Highly recommended!!! ***** my favorite place to be for my kids. It has the best facilities and the most useful staff. Would highly recommend! ***** amazing place for kids with extra needs! I can't wait to have our birthday party. Management were so friendly and helped my daughter have a wonderful experience. Thank you so much! ***** Clean and quiet indoor play center. The staff is friendly and helpful. My sons really enjoyed their ball vacuum system and air cannon. This facility makes this center standing at so many indoor play centers. It's so much fun for the kids. Even adults. He'll definitely be back soon. Soon. Monkey Mania in Bankstown is awesome. I wish I could have 500 stars to fill in for this review. The staff are amazing.... Nothing was too hard, especially since I was there with a big group. My 4-year-old daughter had an absolute explosion, playing on the equipment there. I was particularly pleased to see the staff and manager actually that enough to make sure that the children's area was filled only with children/small children. Older children were politely asked to leave the area. This me.so made happy because other play centers did not do so, so the little ones were left injured. (My daughter was one of them when little). Definitely coming back 🍕🍕🍕🍕 Good Done Monkey Mania @ Bankstown. ***** great day with my grandson so much to make it very enjoyable😊 ***** I love this place,

the kids have a wonderful time every time we go. The place is colorful and so vibrant. The staff is always happy and friendly. ***** had an amazing experience right from the start. The staff was pleasant and extremely helpful. The venue is clean and very large. The party went well, the host was very helpful and managed to feed and entertain 20+ children with ease. Turbo Climb is amazing and a massive hit with all the kids. Huge thank you to manager Craig, and staff members Christine and Christian. We'll definitely be back :) ***** Awesome game center and great staff, my son has a great game time and I get my assignments done. Wait on the food is pretty good too unless the place is packed (such as school holidays). ***** brought my daughter here with some friends for a birthday was clean, friendly staff members, a great place to bring the kids. He'll be happy to come back ***** I had the best time here yesterday. 3 mothers, 8 children and there was no complaint! The fries were awesome, the kids loved their ice cream and the staff were very helpful. Thanks for a great day! ***** great food and a great place to play definitely worth visiting. *****My 3-year-old had a great time with her friends at Monkey Mania Eastland. All equipment is of the right age and all had an explosion! ***** Kids went bananas and had heaps of fun! ***** We had a great time with our kids here. Plenty of different play areas to keep them entertained! Go to content
